			4-5

1a Riverscape and Flow Assessment Guidelines

SILVER +

Sustainability Award of Excellence

Boffa Miskell Ltd

Highly relevant and topical. Demonstrates strong specialist and technical merit that will be a useful tool for LAs.

1a Et in Arcadia Ego : Four Meditations on Melancholy

BRONZE

Jacky Bowring

Well crafted exploration into landscape culture and its meaning. Demonstrates intellectual independence and professional rigour. Deserves to be widely read.

1a The ma(r)king of memory & the right to remember

BRONZE

Shannon Davis

This body of work displays originality and innovation in its research method and analysis, and presents a relevant and significant study of the memoryscape of genocide. It articulates its thesis convincingly and articulately to its target audience, thereby widening our perception and understanding of landscapes, and in particular landscapes of extreme violence.

NZILA RESENE PRIDE OF PLACE LANDSCAPE ARCHITECTURE AWARDS 2010

LANDSCAPE PLANNING CATEGORY CITATIONS

1b ARC Stormwater Management Guidelines and Integration of Low Impact Design

GOLD +

Sustainability Award of Excellence

Boffa Miskell Ltd

Companion documents that promote landscape architecture and integrated planning and design. Well executed and thoroughly researched. The Guidelines in particular were considered to exemplify clarity of presentation and technical merit.
